

Delivering the Power of
POSSIBILITIES

Premium Residential Siding

Savannah Smooth

THE PERFECT PAIR

for crafting your custom home.

Savannah Smooth and Sierra Premium Shake offer two unique looks with equally gorgeous appeal. Due to their half-inch thick construction, both cast dramatic shadow lines that provide the premium look homeowners are after.

Whether paired together or used alone, this dynamic duo is known for standing out in the crowd.

Sierra Premium Shake

PRIMED

LAP SIDING MADE MODERN

Savannah Smooth reinvents this classic.

When crafting your forever home, every detail matters. Savannah Smooth architectural lap siding delivers crisp, squared edges for a sophisticated look that accentuates traditional, craftsman and even modern designs.

Savannah Smooth siding's premium look is matched by the resilience of its fiber cement construction. Unlike traditional wood or vinyl siding, it's resistant to warping, rotting, pests and stands up to harsh weather, ensuring your home will remain inviting for years to come.

HALF-INCH THICK CONSTRUCTION | HIGH-END CURB APPEAL | LOW MAINTENANCE

SIERRA PREMIUM

SIMPLY STUNNING

Traditional style meets long-lasting durability.

Sierra Premium Shake is a low maintenance solution that combines the traditional look of wood with the uncompromising durability of fiber cement. Its half-inch thick shakes create deeper, more dramatic shadows and textures for timeless appeal. Like all of our fiber cement products, Sierra Premium Shake is resistant to warping, rotting, delamination and falling victim to pests. Available in four pre-finished colors or primed.

MAHOGANY

MAPLE

CHARCOAL

SMOKE

PRIMED

FINISH STRONG

Sierra Premium Shake is pre-finished with machine-applied color. Boards receive a base coat, followed by a middle color coat, a top coat color and finally a clear coat. These layers protect the siding against natural environmental factors such as sunlight (UV) & moisture. They also help prevent water absorption, adding to the durability and lifespan of the board.

ENGINEERED FOR PERFORMANCE

Resistant to warping, rotting and pests

ANY WEATHER PRODUCT

Install year-round in any climate across the country

SILICA DUST WARNING: Nichiha products may contain some amounts of crystalline silica [a.k.a. sand, silicon dioxide], which is a naturally occurring mineral. The amount will vary from product to product. Inhalation of crystalline silica into the lungs and repeated exposure to silica can cause health disorders, such as silicosis, lung cancer, or death depending upon various factors. To be conservative, Nichiha recommends that whenever cutting, sawing, sanding, sniping or abrading the product, users observe the Safety Instructions above. For further information or questions, please consult the MSDS, your employer, or visit www.osha.gov/SLTC/silicacrystalline/index.html and www.cdc.gov/niosh/topics/silica. The MSDS for Nichiha products are available at www.nichiha.com, at your local Nichiha dealer or through Nichiha directly at 1.866.424.4421. FAILURE TO ADHERE TO OUR WARNINGS, MSDS, AND OTHER INSTRUCTION MAY LEAD TO SERIOUS PERSONAL INJURY OR DEATH.
